

Wallace Mobile Volunteer **CONNECTION**

WMH Volunteer Newsletter Issue 1 Fall 2014

Dear Wallace Mobile Volunteer:

We hope you enjoy our new Volunteer newsletter, the Connection, prepared just for you. WMH has really been blessed with tremendous growth in our Volunteer base over the past year, and we greatly appreciate every single one of you. We thought it might be helpful to circulate an e-newsletter at least quarterly to keep you informed of some of the great things Wallace Mobile is involved in. We hope by keeping you informed as we

grow and evolve, you will explore some of the new and exciting opportunities to share in our work with underprivileged communities in East Tennessee and beyond. Enjoy the first issue!

CALLING ALL VOLUNTEERS

Join us for one of the upcoming Fall Clinics!

KNOXVILLE AREA RESCUE MINISTRIES (KARM) October 18, 2014

KARM has had a special place in the hearts of WMH Volunteers from the beginning of our ministry. There is no greater need for spiritual, emotional, social and physical help and support in any of the communities we serve. Imagine for a moment ... an unexpected illness leaves you jobless, homeless and there is no family to turn to. Or, maybe you develop an uncontrollable addiction that destroys your home and your family leaving you destitute with nowhere to turn. Imagine a never ending feeling of hopelessness, loneliness, and despair. Now imagine someone with a smile, willing to listen to your story, willing to comfort your physical pain, willing to pray with you and willing to walk with you to find the path out of despair. As WMH Volunteers, we have all been blessed with gifts and talents that are needed at KARM every day to lift our homeless neighbors out of despair. Please consider sharing your talent, your time and your blessings with our patients at the KARM Clinic on Saturday, October 18. You can Volunteer by contacting Beth Roggeman at atroggemanbeth@gmail.com.

KARM services 9-5-14: 673 meals served, 277 shelter guests, 150 Welcome Center guests

[Link to KARM](#) for more information about their services to the homeless community.

Other WMH Fall Clinics

Morgan County	Wartburg, TN	November 1, 2014
Montgomery Village	Knoxville, TN	November 8, 2014
Hancock County	Sneedville, TN	November 15, 2014

WMH Community Activities

Hancock County Fall Festival

On October 4 and 5 the residents of Hancock County will celebrate the 38th annual Fall Festival of crafts, music and food. As a supporter of this community, WMH will again host a health display with free blood pressure, diabetes and cholesterol screening. Volunteers are needed to reach out and share our ministry with Festival visitors. You can email your interest to wallacemobile@outlook.com. [Learn more about Hancock County](#) and the Fall Festival.

Bike Fundraiser

In an effort to raise funds to support the WMH Sneedville Clinic and companion community service projects, our own Medical Director, John Swisher will be biking from Knoxville Center Mall to Sneedville for the Fall Festival on Saturday, October 4. Dr Swisher's personal goal with this effort is to raise \$2500 to provide WMH healthcare services to the uninsured in Hancock County. You can help by going to the [Donation Link](#) on our website and donating to the Sneedville 60 Bike Tour.

But I don't do anything medical...

Our ministry was founded on a platform of healthcare services, but sharing the news and the love of Christ involves so much more than medical checkups and treatments. The Wallace Mobile mission is to bring Christ into the lives of our patients and their families in ways that serve not only their physical needs, but also their spiritual, emotional and social needs as well. We are a holistic ministry, and as such we have a great need for people from all walks who can spend time with our patients exploring the non-medical needs in their lives. One of our most important activities with our patients is prayer, and you don't need to be a doctor or a nurse to pray with people in need. So, share our ministry with your friends, both medical and non-medical and help us realize the holistic purpose of our ministry.

Adopt a Wallace Mobile Community !

As Wallace Mobile becomes more involved building relationships in the communities we serve, we realize greater and greater need for medical and non-medical supplies for the communities. We have launched a new "Adopt a WMH Community" program to raise support for our community projects. If you have participated in our Clinics, you may have found yourself drawn to a specific community of people, whether it be the homeless at KARM, the underserved in Sneedville, or those in need at Montgomery Village. You can support our continued relationship with your favorite community (or all of them!) by donating in support of that community on our website. Choose the [Donation Link](#) and

then select your favorite community or communities to support. And, thank you for your love and support of our patients!

Parting thought...

... whoever wants to become great among you must be your servant, and whoever wants to be first among you must be your slave; just as the Son of Man did not come to be served, but to serve, and to give His life - a ransom for many.

Matthew 20: 26-28

**THANK YOU FOR
VOLUNTEERING!**
